“YOUR HARRISONBURG REALTOR”

OFFERING EXPERIENCE, EDUCATION, ETHICS

Born and raised in the beautiful Shenandoah valley of Virginia, I have lived in the Harrisonburg area most of my life. After graduating from Harrisonburg High School, I attended Blue Ridge Community College where I earned an Associate degree in Accounting and then attended Eastern Mennonite College and James Madison University where I “finally” earned a Bachelor of Science degree in Education with a minor in Business Administration.

After graduation, I taught business at the high school level for several years and I have been a licensed realtor for the past 10 years. During this time, I have seen many changes in our area’s real estate market due mainly to the growth in our community and the low interest rates over the past several years. As a Realtor, I have continued my education and have earned the following designations: ABR, GRI, CRS, SRES. My education, years of experience and ethical standards enable me to provide my clients with the care, respect and consideration they expect of their Realtor. I believe this:

HOMES ARE A WONDERFUL PRODUCT BUT PEOPLE ARE MY BUSINESS

I look forward to working with you as your agent and pledge my loyalty to you as my client.

“MY SERVICE AND CONDUCT ARE ALWAYS GUARANTEED.”
